WEB DEVELOPER | UI/UX

I am truly passionate about what I do and am always looking for new ways to adapt. With a diverse background in software, management, design and social work, I am confident that I bring exemplary value to any team.

EXPERIENCE

Heartland Hospitality, Nashville, TN — *Assistant GM*

DECEMBER 2021 - JULY 2023

Managed multiple 8th and Roast stores alongside the General Manager and carefully monitored additional stores within Heartland / MCBC. Maintained QA in accordance with owners, investment group, as well as Fraport leasing standards. Tracked sales, inventory, ordering and staffing needs throughout a near 24-hour daily period.

Belmont University, Nashville, TN — *Programming Tutor*

AUGUST 2015 - MAY 2017

Helped and taught students with computer science courses ranging from Intro to Computer Science to Programming II in Java. Occupied the Math / Science learning center and assisted all students requiring assistance.

Acxion, Nashville, TN — *Digital Content Specialist*

AUGUST 2014 - MAY 2015

Performed responsive PSD conversions of client emails, marked up with HTML, SCSS, and Javascript to suit the company platform *Impact.* Conducted platform QA of all content, desktop or mobile, to insure campaign launch.

EDUCATION

Belmont University, Nashville, TN — B.S. in *Web Programming and Design*

AUGUST 2010 - MAY 2016

Minored in Music Business.
